

# fashionABLE FASHION SHOW

May the 12<sup>th</sup> at 12pm

Waverly Station Market

Presented by guest host Gail Porter

TEAM **fashionABLE** is back on the runway for another inspiring fashion show, taking place on the eve of World Fair Trade Day, the 12th of May at Waverley Station market by Platform2, Edinburgh. This exciting show aims to promote inclusivity, diversity and integrity- together with beautiful fashion for people from all walks of life.

There will be three collections showcased on the day: **Fair Trade, Recycled/Upcycled and Scottish**. With many outstanding designers on board with us already, we are still looking to expand the collections, and welcome more talented people to join this lovely fashion show!

Following the success of last year's event, charities Models of Diversity and Upward Mobility, are once again endorsing the show. Former model, Angel Sinclair who founded the Models of Diversity after appearing on Gok's Miss Naked Beauty in 2008, will be coming from London to do the casting for models on the 16th of March. This fantastic and energetic woman works to bring inclusivity and diversity to catwalks around the world, including London Fashion Week.

**FashionABLE** is a fantastic event and there has been a lot of interest and media coverage, including press features within The Edinburgh Evening News' page 3. This year we are absolutely delighted to announce Gail Porter's involvement as MC!

Please find more on Facebook at Waverley Station Market, by Platform 2
